<p>56 56006</p> <p>The Class 56 Group</p>	<p>BR Co-Co</p> <p>Built by Brush- Electroputere, Romania</p>	<p>Working</p> <p>Arrived July 2017. Planned for 3 years loan.</p>	 A photograph of a BR Class 56 Co-Co locomotive, number 56006, on a railway track. The locomotive is painted in a blue and yellow livery. It is a Co-Co locomotive, meaning it has six axles, all of which are powered. The locomotive is shown from a front-three-quarter view, facing towards the left of the frame. The number 56006 is clearly visible on the side of the locomotive. The locomotive is on a track with a concrete platform or edge visible on the right. The background shows some greenery and a cloudy sky.
