

WALK Rossendale

FROM RAWTENSTALL

CHOOSE YOUR WALK

All walks start and end at Rawtenstall Bus Station (an alternative would be the Train Station)

A quick walk from Rawtenstall town centre takes you straight into the countryside and back, you don't need to walk far to be able to enjoy the green spaces of Rossendale.

An absolute favourite walk from the centre of Rawtenstall that takes you around some iconic destinations. From the bus station you'll walk up to Whitaker Park, The Hill - Home of Ski Rossendale, down past the fishing lodges back to Rawtenstall market and along the cobbles of Bank Street.

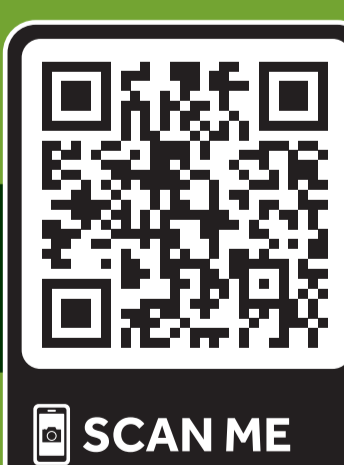

This 3.1-mile walk will take you up to the woods at the back of Marl Pits Leisure Centre, with some amazing views across the valley. It then brings you back down into the town centre where you can get some refreshments.
