

Stay Safe!

**Welcome to our enthusiast event.
We hope you enjoy your day with us.**

We know some of you enjoy leaning out of the window, taking video footage and listening to locomotives running etc. Unfortunately, due to recent fatal incidents on the national network, this practice is being actively discouraged and monitored by the Office of Rail & Road (ORR).

If anyone is witnessed carrying out unsafe behaviour, it will affect not just the ELR but all Heritage Railways, with the likely result in more stringent measures being insisted upon by the ORR, such as window bars being fitted to our coaches. **We want and need your help to avoid this from happening!**

To make certain that these events continue to be safe and nobody puts themselves or anyone else at risk whilst attending, we politely ask that you adhere to the following safety instructions.

- DO NOT LEAN OUT OF THE WINDOWS
- DO NOT WAVE ARMS OUT OF THE WINDOWS
- BEHAVE RESPONSIBLY AND WITH RESPECT
- DO NOT OPEN TRAIN DOORS WHILST THE TRAIN IS IN MOTION
- BEWARE OF THE GAP BETWEEN THE TRAIN AND THE PLATFORM
- AT ALL STATIONS, PLEASE ENSURE THAT THE DOOR YOU ARE TRYING TO EXIT FROM IS FULLY ON THE PLATFORM BEFORE ATTEMPTING TO ALIGHT.

Please do not let us spoil your day by asking you to leave if you put yourselves or others in danger.
