

**1940's Vintage Weekend
25th – 27th May 2024**

Re-Enactor Pass Application Form 2024

Thank you for your interest in applying for a re-enactor pass for our 1940's Vintage Weekend 2024!

This year we are pleased to announce that we will be able to offer complimentary travel passes to **authentic re-enactors** who participate or help the East Lancashire Railway during the event. The ELR is a registered charity (1107332) and providing free travel is entirely at the discretion of the organisers.

Please state on the application form where and what scenario/display you will be taking part in or how you will be contributing to the event to be considered for a free pass.

Following successful application, the applicant will be awarded a complimentary travel pass which will permit them to travel for the duration of the three-day event. If not awarded a complimentary travel pass the re-enactor will be required to pay the standard fare for the weekend. Prices can be found on our website www.eastlancsrailway.org.uk.

In order to be successful in the application, the applicant must be able to detail how they are helping the East Lancashire Railway by describing the performance they are involved in and by declaring any re-enactor organisations they are a part of. They must also declare what attire they intend to wear.

If previously awarded a travel pass, please return this to us, along with the 2024 application form, in a stamped addressed envelope and we will stamp it for 2024 and return it in advance of the event.

Enclosed in this document are the Uniform Policy and Dress Code as well as the Contact and Application Form. Please read and complete the 2024 application form and return to

Applications to bring a military vehicle or to hold a stall at the ELR over the 1940's weekend can be found on the 1940's Weekend event page on our website. Applications are open now.

All re-enactor Application Forms (including passport size photos) should be submitted no later than Friday 29th March 2024. Any forms received after this date will not be considered for complimentary passes.

Re-Enactors Uniform Policy

All re-enactors must adhere to the following costume policy:

In order to ensure we do not offend or insult the ELR will prohibit all uniforms that are not British and American force uniforms throughout the event.

We shall be monitoring very closely attendance at the event by re-enactors and we shall be adopting a very strict policy in regard to involvement in our event.

For clarity, the ELR will **ONLY** permit **British and American uniforms throughout the event.**

Whilst we understand that these arrangements will not attract universal support we do hope that all will understand the reasons as to why we have to take such a firm stance regarding representations that may cause offence to some of our visitors during this family event.

To properly monitor and enforce compliance with these restrictions, our staff will be briefed on what to look out for in terms of which uniforms and regalia are prohibited, along with what actions to take should they witness something that does not conform. **In such circumstances, re-enactors will either be refused access to, or required to leave ELR premises!**
