

We hope you have the best day today at the ELR. This unique heritage experience wouldn't exist without the help of every single person who shares our love of the railway.

DONATE

We are a registered charity and there are multiple ways to give. A one-off or regular donation can be set up online or standing orders through your bank by completing a quick form.

VOLUNTEER

The passion of our hundreds of volunteers keeps the trains running just as much as the coal that powers the engines! If you can give your time, there is a role for you here from staffing the ticket office to restoring and driving the trains.
