

EAST LANCASHIRE RAILWAY

Volunteering at the ELR

So you want to join our family of volunteers?

Your journey starts here

The ELR has a long and rich heritage, from all the way back when the very first trains steamed into Bury Station in the 1840s. The development of the line and all of its local railway stations was a key part of the Industrial Revolution in Lancashire, and it's been an integral part of the area's growth and identity ever since.

Who are we?

We are a charity which is the largest heritage railway and one of the best visitor attractions in the North-West of England, stretching from Heywood to Rawtenstall. Our two pubs, staffed by paid workers, are both award-winning venues. Our Dining with Distinction experiences are the Gold Standard of heritage railway dining. Our Santa Experience was rated among the top 6 Santa attractions in 2023.
